

## Do you run a business in the Charente Maritime? We can help you with your marketing.

[www.Charente-Maritime-info.com](http://www.Charente-Maritime-info.com) is a virtual shop window for the Charente Maritime. We can guarantee you an excellent web-presence with our fully bilingual English/ French site. Our site shows reputable businesses in the department, and its large property section attracts many web-users. Visiting our site is rather like browsing an Ideal Home exhibition: there is a large variety of products and services, which are clearly listed, interesting to browse and easy to access.

### What do we offer?

1. We will create your very own website, in French and in English, with a .com domain name of your choice. High-quality design, graphics and photos.
2. You become a member of [www.Charente-Maritime-info.com](http://www.Charente-Maritime-info.com) for a year. Your site will be listed in any sections of your choice, with an animated listing which a visitor to the site can then click in to open your website. An electrician, for instance, may appear under “heating”, “electricians” and “ecologically friendly.”
3. In clicking on your listing, a user will open your site and then know who and where you are – it’s as simple as that.
4. Once a member of [www.Charente-Maritime-info.com](http://www.Charente-Maritime-info.com), you can contribute as many informative articles as you wish about your business to the « Articles » section. Each article will contain your contact details and website link: thus you can create more free advertising for yourself. Articles attract search engines and clients. Also, our policy is to let the professional explain their product/ services, rather than running an unprofessional forum which are often misleading.
5. We will be your Webmaster for one year to help you update your site & make any changes. We will also take care of your rating with search-engines – especially **Google**.

How much do we charge? The complete package for one year, including creating and registering your website, your listing on [www.Charente-Maritime-info.com](http://www.Charente-Maritime-info.com) + publishing your articles: **500€exc. VAT\***.

If you already have a website, why not take advantage of being listed on [www.Charente-Maritime-info.com](http://www.Charente-Maritime-info.com) in the sections of your choice? Membership for one year, which included the possibility of submitting your articles for publication, is: 359€ excl. VAT (29.95€ / month.) We do accept several payments.
